

Blizzard Wildthings Take Gold From Red Deer

November 16- 18, 2007, the Blizzard Wildthings Tier 2 team went to Red Deer for the indoor tournament to start off their hunt for a medal for the season. After a good warm-up game with a 3-2 win over Edmonton SW, many of the girls were feeling ill and/ or injured. The next game proved to be a challenge against their cross town rivals Calgary Rangers FC. With 2 minutes remaining and a goal down, the girls turn up the tempo and were rewarded with 2 goals to beat the Rangers in a stunning 5-4 victory.

The final game saw the Wildthings play against Edmonton SW (Team 2) that played very well and had good skills on the field. Before the beginning of the game, the Wildthings Team Captain, Ayden Howard gave their coach a note that said "We are here to win gold" with all the players names signed to the note. And gold they won. With two players injured, the defence stood up and held the Edmonton SW team off the board with 2 in the net for us! Although fun at heart, these girls fought through tough moments when they were not at their best and displayed heart and character beyond their years.

Well done girls! I am very proud of you. RESPECT ALL- FEAR NONE!
