

"The Blizzard Blasters U14G completed a 10 day trip to Liverpool and London in March.

The trip was largely organized by Tommy Wheeldon (many thanks Tommy!) and our primary focus was training with the Everton Football Academy. We had a wonderful coach at Everton, Mr Andy Spence (who is the Assistant Coach for Everton Ladies FC and who is also coming to Calgary this summer for the MVP Summer Everton Soccer Camps). Our group was 15 players, 2 older brothers and 16 parents. We were in Liverpool for 7 days and London for 3 days. In addition to our training sessions we played 3 exhibition games (vs Everton, Wetbury/Manchester and Croydon/London), saw 3 pro games (Everton vs West Ham, Manchester United vs Liverpool and Everton Ladies vs Blackburn) and did lots of great site seeing. We received warm hospitality every where we went.
